This is a screenshot of the NWEA Learning Continuum page. At the top left is the NWEA logo. To its right is a navigation menu with links for "Support", "Your School's Standards", "Contact Us", and "Logins". A search bar is located to the right of the menu. Below the navigation is a dark blue header bar with white text for "GET TO KNOW NWEA", "ASSESSMENTS", "RESEARCH", "PROFESSIONAL DEVELOPMENT", and "ABOUT NWEA". The "ASSESSMENTS" link is highlighted in green. Below the header is a breadcrumb trail: "Home / Assessments / Measures of Academic Progress (MAP) / MAP Learning Continuum". To the right of the breadcrumb is a "SHARE" button with a red arrow icon. The main heading is "MAP Learning Continuum" in a large, dark blue font. Below the heading is a sub-heading: "Discover how the Learning Continuum empowers you to create student-specific learning ladders". The main body of text describes the Learning Continuum as a proprietary interactive tool for teachers, explaining that it helps teachers understand what students performing at a given RIT level are typically ready to learn and how to use learning statements to differentiate instruction for individual students and skill-based activity groups.
